

# Rockport Ordinance Review Committee

## Notice of Public Meeting

**Date:** Tuesday February 23, 2010

**Time:** 7:00 a.m.

**Place:** Rockport Town Office

- A. Review of LUO Section 907 and 907 M –Height Standards–** presented by the *ORC*  
(continued from the 1.19.10, 1.26.10 and 2.23.10 meetings)

*Background:* Current height limitations for large commercial buildings can result in conflicts with the Section 1003 roof design guidelines. The height and bulk ratios of large commercial buildings should be looked at so architects and engineers of larger buildings do not have to design unattractively low roof profiles

- B. Review of Section 1300 – Site Plan Review –** presented by *Tom Ford*  
( continued from the 1.12.10 and 2.16.10 meetings)

*Background:* Some aspects of Section 1300 including the pre-application process and the current lack of fast track review are concerns of some Planning Board members.
