

ROCKPORT TOWN OFFICE BULLETIN BOARD POLICY

The Town Office offers bulletin boards as a public service for the purpose of displaying official Town of Rockport postings, General Assistance and State Agency information.

1. Postings of a purely commercial nature, political postings that advocate a specific party or candidate, and postings that promote a stance on a public issue will not be displayed.
2. All items must be submitted to the Town Office staff and will be posted at the discretion of the Town Clerk or Executive Secretary. The decision of the Town Clerk or Executive Secretary to deny a posting may be appealed to the Town Manager.
3. The Town Office will display information for specific events no more than one month in advance of the event and the Town Office staff will remove postings after the event takes place.
4. Items posted must be neat and clear and items exceeding 9" by 12" will be posted as space permits.

Adopted by the Select Board on July 9, 2007.
