VOTE ON THE MOTION: 4 FOR – 0 OPPOSED

b. Review and approval of the proposal for the Library Research Project

Kenneth McKinley moved to accept the proposal from Bruce Lockwood of Portland Research Group for the Library Research Project in the amount of $9,850 +/- 10%. Geoffrey Parker seconded the motion.

Rick – we only received one proposal. We sent out the RFP to others and it was also advertised with MMA.

Owen – it appears that some individuals reviewed our livestream.

Rick – there is a path. They will develop a survey and tabulate the results. John Viehman has some experience with Bruce Lockwood. The question was how we prevent people from responding to the survey more than once. The best way is to require the respondents to supply their address at the end of the survey. We can verify that they are registered voters at that address. If surveys do not have an address entered, it will reject it.

Ken – are we limiting this to our voters?

Rick – that is the way that it is set up.

Ken – we should include how and why they voted the way they did when we had the library questions on the ballot. We only need a reasonable protection and we don’t want to shut people out.

Owen – on page three it told us about Portland Group, but I am concerned with the impartial feel of it not saying that the survey is from the Town of Rockport.

The Board discussed how the process will work.

Rick – I would like to see 80% participation.
The Board discussed the possibility of some minor adjustments to the survey.

Owen – asked if the timeline on page 6 was too “optimistic.”

Bill – we could have a flyer at the polls on Election Day.
