AGENDA

- Select Board members want to hear from you! Please come to the Rockport Village Listening Tour.
  
- To facilitate a broad discussion, we will begin by asking the following questions:
  1. What makes it special to live in your neighborhood?
  2. What suggestions do you have to improve your neighborhood?
  3. How do you feel about development? For example, would an extension of, or an upgrade of, the wastewater system be helpful?
  4. How would you like to see RES East developed? For example, would you favor an expansion of Rockport's Library to the site?
  5. What has been your experience, negative or positive, dealing with Town Government?
  6. What town facilities do you use? For example, do you use the harbor, the library, any of our parks, or the Opera House? Do you have any comments or suggestions about these facilities?
  7. Are there organizations, or individuals, who would be interested in doing volunteer work for the town? There are volunteer opportunities such as serving on committees, help with town events or Legacy Rockport.
