Select Board Listening Tour Recap and Follow-up
Monday, October 15, 2012
7:00 PM
Rockport Opera House
Televised – Channel 22

AGENDA

GOALS:

1. Review the key points made at each village to identify themes or trends
2. Identify “low hanging fruit” that can be done immediately (or nearly so) at little or no cost (i.e., within the current budget)
3. Identify possible items for inclusion in 2013-2014 Budget (note: pre-budget/roads workshop is Monday, October 22)
4. Review our 2012-2013 Select Board Goals List with regards to the Listening Tour list
5. See if we can agree on the top 5 or 6 goals (regardless of where the goal originated) that we want emphasis placed on now rather than later
6. Begin to develop a statement of our vision for Rockport’s future
7. Consider a follow-up workshop in early November to continue to work on our vision for Rockport’s future
8. What about next year? Skip, one-a-month, two-a-month, like this year...
