

- PUBLIC MEETING -

Ordinance Review Committee

Thursday March 5, 2015
8:00 a.m. @ Rockport Town Office
Richardson Room

AGENDA

1. Planner's Notes.
2. Correspondence.
3. Implementation of 2013 and 2014 amendments and ORC recommendations. Continued from Committee meeting of February 26, 2015. Review obvious typographical and formatting errors as well as some substantive policy issues in Section 900 of the Land Use Ordinance. Categorize these as one of the following:
 - a. Problems like typos and formatting;
 - b. Changes approved by the voters but not accurately codified in the LUO; or
 - c. Changes recommended in 2013 or 2014 but not clearly resolved.
4. Work Plan Item #4 – Section 1303 Site Plan review. Continued from Committee meetings of February 12th and 26th. Consider draft revisions to current threshold standards that determine whether a proposal is classified as a Building Permit application suitable for staff review or an application for Site Plan approval. Site Plan applications can only be acted upon by the Planning Board and require greater public notice as well as submission of more detailed plans and specs.
5. Adjourn.
