

SECTION 800 – GENERAL STANDARDS OF PERFORMANCE

Proposed new language is shown in red underlined text.

801.6. Nuisances

Uses or structures judged to be dangerous, unsightly, noisy, bad smelling, contributing to air pollution, or otherwise offensive to the surroundings or the community as a whole are prohibited.

No person shall make or cause to be made repetitive loud noises which disturb, injure or endanger the comfort, health, peace or safety of others.

The playing of ~~amplified~~ music that can be heard beyond the property line is prohibited after 10 P.M., except that events on Town owned property may extend the playing of music that can be heard beyond the property line to no later than 11 P.M. if:

1. The event proceeds shall be primarily for the benefit of one or more non-profit organizations serving Knox County; and
2. The event receives prior approval from the Select Board.

Commercial construction, including the movement of earth-moving equipment, dump trucks, and construction equipment, is prohibited between 6:30 P.M. and 6:30 A.M.
