

# Rockport Ordinance Review Committee

## Notice of Public Meeting

**Date:** Tuesday January 10, 2012

**Time:** 7:00 a.m.

**Place:** Rockport Town Office

**A. Review of Coastal Waters and Harbor Ordinance** - *presented by Abbie Leonard and Tom Ford*

**Background:** The current definition of a resident has created problems for the Harbormaster's office for the equitable treatment of mooring holders. This proposal would review this definition.

**B. Municipal Road Acceptance Ordinance** *presented by Bill Chapman, Sani Fogel and Tom Ford*

**Background:** This three page ordinance was adopted in November 2007. Several of the provisions in the current ordinance place a stiff burden on the owner of a private road who seeks town approval for the road to become a public way. Should certain provisions of this ordinance be revised?
